Galileo Ferraris' Contest organization

April 17, 2024

Galileo
Ferraris

- the coordination of results submission and evaluation will be handled by a *Contest Organizing Committee*
- the correctness of the result dataset creation and the fairness of the evaluation phase will be guaranteed by an *Advisory Board* composed by Academics and Industry people
- the composition of the Boards is still under definition

*Galileo
Ferraris*

- three lines will be pursued
 - software houses (Mathworks ...)
 - electric vehicle manufacturers (Tesla ...)
 - electrical motors manufacturers (Mavel ...)
- search is still under way
